## Introduction

We are delighted to invite you to this year's Francis Clark Tax Consultancy Conference being held in London.

In association with Croner Taxwise, the conference will provide a general tax update whilst also focussing on some more specific areas which appear to be causing problems for our consultancy clients.

Our speakers, together with other consultancy team members will be on hand for you to meet and discuss any issues you may have. A buffet lunch will be provided and the whole event is free of charge.

## Topics covered

- Topical tax issues
- Requirement to Correct for offshore income and assets
- What should your Tax Fee Protection Insurance provider do for your practice?
- R & D tax relief claims
- VAT update including, land and property, possible Brexit landscape and disputes & resolutions

CPD - Our seminars aim to provide the essential elements of technical CPD.

For the full range of the services we offer, please visit our website [www.fctc.co.uk](http://www.fctc.co.uk)
